CONFERENCE PAPERS AND PANELS

- With Esther Weltevrede. “Testing the future: benchmarking and the ontology of intelligence in AI evaluation.” Conference presentation. *Association of Internet Researchers annual conference*. Mexico City, Mexico, October 16 2026.
- “The shallow state: information infrastructure and the governance of digital distrust.” Conference presentation. *Association of Internet Researchers annual conference*. Mexico City, Mexico, October 16 2026.
- “Intelligence paranoid and non-.” Conference presentation. *SLSA 2026 (Society for Literature, Science and the Arts)*. Toronto, Canada, October 9, 2026.
- With Prem Sylvester. “Modularizing logistics: the physical Internet and urban futures to come.” Conference presentation. *4S 2026 (Society for Social Studies of Science)*. Toronto, Canada, October 8 2026.

- With Esther Weltevrede. "Authenticating the everyday: The dual dynamics of user and machinic appification." Conference presentation. *Association of Internet Researchers annual conference*. Rio de Janeiro, Brazil, October 17 2025.
- With Prem Sylvester. "Modular logistics: the physical internet in the city." Conference presentation. *Urban Speculations: Cities, Technologies, Futures*, Leuphana University Lüneburg. Lüneburg, Germany, February 4–6, 2025.
- "First principles, mimesis, and Silicon Valley ideology." Conference presentation. *Society for Cinema & Media Studies annual conference*. Boston, U.S., March 17 2024.
- "Techno-politics of the Apocalypse." Conference presentation. *4S Society for Social Studies of Science annual conference*. University of Hawaii, November 8 2023.
- "Cat-v Considered Harmful: techne, alienation, and software minimalism." Conference presentation. *SLSA 2023: Society for Literature, Science and the Arts annual conference*. Arizona State University, October 27 2023.
- "Algorithmic Authenticity." Book launch event. Vancouver, BC, September 15 2023.
- "Authentication and data subjectivity." Conference presentation. *Canadian Communication Association annual conference*. York University, May 30 2023.
- With Esther Weltevrede. "Platform authentication and network temporalities." Conference presentation. *Mis/disinformation and the artifices of authenticity and authentication. International Communication Association Pre-Conference*. York University, May 24 2023.
- "Limit functions: A media history of optimization." Conference presentation. *Canadian Communication Association annual conference*. York University, May 19 2022.
- "The Agitational Style in Authoritarian Politics." Conference presentation. *Contested Freedoms*. Simon Fraser University, May 10 2022.
- With Greg Elmer, Ganaele Langlois, Steve Neville, Tanner Mirrlees, Melody Devries, Sabrina Ward-Kimola, Marc Tuters, and Ahmed Al-Rawi. Moderated by Fenwick McKelvey. *Alt/Right, Alt/Media: Encountering the alt-rights in Canada*. Panel presentation. *Canadian Disinformation Network*. December 3 2021.
- "The aesthetics of rationality." Conference presentation. *Intellectual Currents*. Simon Fraser University, October 27 2021.
- "Discourse machines: social platforms and the technical construction of misinformation." Conference presentation. *Canadian Communication Association annual conference*. Western University, June 4 2021.
- With Marc Tuters. "Rebels and their Followers: YouTube Pundits and the War on 'Social Justice'." Conference presentation. *MAPD 2020 (Multidisciplinary Approaches to Political Discourse) #3: Responding to new challenges*. University of Liverpool, June 25-26 2020 (Cancelled due to COVID-19).
- "Reading the comments: Rebel Media, 'citizen journalism', and reactionary audience building." Conference presentation. *Canadian Communication Association annual conference*. Western University, May 3 2020 (Cancelled due to COVID-19).
- "The grammar of embodiment: White noise, the Other, and information theory." Conference presentation. *What is Information?*. University of Oregon Portland, April 30 2020.

- “‘Alt-right’ news night: The politics of microcelebrity on YouTube.” Conference presentation. *Changing the Current: Intersections/Cross-Sections*. Toronto Metropolitan & York University, March 7 2020.
- “The scraped social: towards a methodological bridging of discourse and the digital.” Conference presentation. *Beyond Boundaries* Communication Graduate Caucus Conference. Carleton University, February 26 2020.
- With Greg Elmer and Ganaele Langlois. “The Deep Web’s Impact on the 2019 Canadian Election.” Conference presentation. *Digital Ecosystems Conference*. Ottawa, Ontario, Canada, February 21 2020.
- “What Platforms Want: ‘Incels’ and the digital community as archive.” Conference presentation. *Possible Worlds*. Toronto Metropolitan University, December 16 2019.
- “Understanding the mediation of communication in the digital far-right.” Conference presentation. *Future Communications*. York University, December 13 2019.
- “Channel surfing: YouTube, Rebel Media, and politicized platform networks.” Conference presentation. *Pursuing Critical Media & Technology Studies*. Toronto Metropolitan University, November 5 2019.
- “Digital Cultures of Citizenship.” Poster Session. *Rubix Research Festival*. Toronto Metropolitan University, November 4 2019.
- “Digital Characters, Digital Community: The Chad Meme as Community Member in Online Incel Spaces.” Conference presentation. *Beyond Life Itself Social & Political Thought Graduate Conference*. Acadia University, May 4 2019.
- “Austerity Ideology and the Public Sphere: Telephony Rhetoric in the Doug Ford Administration.” Conference presentation. *Canada on the Edge? Robarts Centre Canadian Studies Conference*. York University, May 2 2019.

INVITED LECTURES & KEYNOTES

- Keynote. “On & Beyond Slop.” *Digital Methods Summer School*, University of Amsterdam. June 28, 2026.
- Guest lecture. “Authenticity, platformisation, and the public sphere.” *New Media and the Digitalisation of Everyday Life Summer School*, University of Amsterdam. July 27, 2026.
- Guest lecture. “Correlation.” *CMNS353 Data Fluencies*, Simon Fraser University. June 24 2024.
- Workshop on methods teaching. *CC9000 Advanced Research Methodologies*, Toronto Metropolitan University. February 10 2021.
- Workshop on construction of digital research persona for investigative journalism. *Canadian Centre for Free Expression*. November 17 2020.
- Guest lecture. “How to Study the Internet.” *SOC482 Media Methods*, Toronto Metropolitan University. March 21 2019.
- Guest lecture. “A Narrative Analysis Case Study: Gab.ai.” *SOC482 Media Methods*, Toronto Metropolitan University. March 7 2019.

TEACHING

INSTRUCTOR OF RECORD

MA “Critical Perspectives on Data & AI.” Graduate School of Humanities, University of Amsterdam. Fall 2026.

BA “Big Questions in Artificial Intelligence & Data.” Amsterdam University College, University of Amsterdam. Summer 2026.

MA “Principles & Practices of Cultural Data Analysis.” Graduate School of Humanities, University of Amsterdam. Spring 2026.

MA “Digital Research Seminar: Tracking Symbolic Infrastructures of Distrust.” Graduate School of Humanities, University of Amsterdam. Fall 2025.

BA “Critical and Applied Data Studies.” School of Communication, Simon Fraser University. Winter 2025.

TEACHING DEVELOPMENT

University Teaching Qualification (BKO), University of Amsterdam. In progress, 2026–.

Toronto Metropolitan University Graduate Teaching Development Program, Teaching Foundations. Completed 2020; CILT 100, *Learning and Teaching in Higher Education I*.

PROJECT LEADERSHIP

“Verisimilitude in slop.” Project lead, Digital Methods Summer School 2026, University of Amsterdam. June–July 2026.

“POV Slopaganda.” Project lead, Digital Methods Winter School 2026, University of Amsterdam. January 2026. <https://www.digitalmethods.net/Dmi/WinterSchool2026POVSlopaganda>

“Dissecting Digital IDEas.” Project supervisor, Digital Methods Winter School 2026, University of Amsterdam. January 2026. <https://www.digitalmethods.net/Dmi/WinterSchool2026DissectingDigitalIDEas>

“Beyond Verification: Authenticity and the Spread of Mis/Disinformation”. Project co-lead, Digital Democracies Institute. April 2022–August 2025.

“The Post-Trump Information Ecology: Political news on Reddit and 4chan /pol/ and the 2020 American election.” Project lead, Digital Methods Initiative Winter School, University of Amsterdam. January 2021.

“Post-propaganda pipeline: Junk American political news on Reddit and 4chan /pol/.” Project lead, Digital Methods Initiative Spring Data Sprint, University of Amsterdam. March 2020.

“Streams of the Deep Web: Mapping YouTube’s Alt-Right in the context of the Canadian Federal Election.” Project lead, Digital Methods Initiative Summer School, University of Amsterdam. July 2019.

TEACHING ASSISTANTSHIPS

CMNS202 Design and Method in Qualitative Communication Research. School of Communication, Simon Fraser University. Summer 2024.

CC8849 Selected Topics in PinP: Digital Methods. Joint Program in Communication & Culture, Toronto Metropolitan & York University. Summer 2019.

SOC482 Media Methods. Sociology Department, Toronto Metropolitan University. Spring 2019.

GRADUATE STUDENT SUPERVISION

Master of Arts in Critical Data & AI, University of Amsterdam:

- Zelden Hart Hansen (MA expected 2027).
- Farida Elsharkawi (MA, 2026).
- Ola Stępska (MA, 2026).
- Daniela Andrade (MA, 2026).
- Yihan Zhai (MA, 2026).
- Panagiotas Soultas (MA, 2026).
- Lilia Haraka Mathlouthi (MA 2026).
- Paula Seemann (MA 2026).

THESIS COMMITTEES

Master of Arts in Critical Data & AI, University of Amsterdam, 2026:

- Iuri Goncalves
- Gijs van Ruijven
- Lukas Lautenschlager
- Aristo Mijns
- Mats van der Heijden
- Jason Jolink
- Shirong Ding

Research Master in Philosophy, University of Amsterdam, 2026:

- Riccardo Molin

PROFESSION

SOFTWARE DEVELOPMENT

Image and Affect tool. As part of DATA/FFCT collective. Collaboration with Matt Canute, Craig Fahner, Mel Racho, Sasha Akhavi, Rory Sharp, and Ganaele Langlois. A web application designed to measure user's affective responses to social media content. Available at <https://image-archiver.digitaldemocracies.org/>.

gofindme. A python-based web scraper for gofundme.com campaigns. Tracks campaign information, donations, and comments. Source code available at <https://gitlab.com/anthbrtn/gofindme>

PyWarcSer. Tool to download all publicly-accessible pages of webforums built using the XenForo webforum software, convert into a .warc-formatted website archive file, and insert into a SQL database for statistical analysis. Written in Python. Source code availability pending.

DATASETS

Rebel Media contributors timeline (Version 0.1.0). [Data set]. Zenodo. doi.org/10.5281/zenodo.3634817.
#cdnpoli and the Twittersphere: User mentions during the 2019 Federal Election (Version 1.0.0) [Data set]. Zenodo. doi.org/10.5281/zenodo.3634154

GRANTS/AWARDS (all amounts in CAD)

EXTERNAL RESEARCH FUNDING

Principal Investigator, *Ambient Conflict*. Responsible Digital Transformations Seed Grants, University of Amsterdam. 2026 (grant no. R.2026.0137). With M. C. Erb, M. Tuters, P. Törnberg (UvA) and partners at Impakt (Utrecht). 2026, \$25,000.

Michael K. Smith Foreign Study Supplement, Social Sciences and Humanities Research Council of Canada. Government of Canada. 2023. \$7,000.

Collaborator, *Digital Disinformation and Citizenship Network*. Heritage Department, Government of Canada. Principal Investigator: Greg Elmer (Toronto Metropolitan University). Co-Principal Investigator: Wendy Chun (SFU), Fenwick McKelvey (Concordia), Ahmed Al-Rawi (SFU), and Ganaele Langlois (York). 2020-2021. \$350,000.

Mitacs Globalink Research Award, "Streams of the deep web: Mapping YouTube's alt-right in the Canadian Election." 2019. \$7,000.

Co-Principal Investigator, *The Dark Web's impact on the 2019 Canadian Federal Election*. Heritage Department, Government of Canada. Principal Investigator: Greg Elmer (Toronto Metropolitan University). Co-Principal Investigator: Marc Tuters (University of Amsterdam). 2019-2020, \$50,000.

AWARDS AND HONOURS

Invited participant, AI and Ideology symposium, SciencesPo Médialab. February 2026.

Invited participant, STS Summer School @ Harvard. August 2023.

Invited participant, Stanford University-Leuphana University of Lüneburg Summer Academy, June 2022.

Mellon-SFU Data Fluencies Fellowship, Andrew Mellon Foundation and Digital Democracies Institute, Simon Fraser University. 2022-2025.

Provost's Prize of Distinction, Simon Fraser University. 2020-2023.

Joseph Armand-Bombardier Doctoral Fellowship. Social Sciences and Humanities Research Council of Canada. Government of Canada. 2020-2023.

Toronto Metropolitan University Thesis Gold Medal, Nomination. Toronto Metropolitan University Faculty of Arts. 2020.

Social Sciences and Humanities Research Council of Canada Graduate Masters Scholarship. Federal. 2019-2020.

Public Scholar. Toronto Metropolitan University Faculty of Arts. 2019-2020.

Silver V Award for Outstanding Campus Contribution. Victoria College in the University of Toronto. 2017.

SERVICE

Peer review, *New Media & Society* (since 2022), *Journal of Digital Social Research* (since 2023), *International Journal of Communication* (since 2024), *Harvard Misinformation Review* (since 2025), *Urban Studies* (since 2026).

Selection committee member, postdoctoral hiring, ANTIGONE project (ERC). University of Amsterdam. July 2026.

Co-editor, *Beyond Verification: Mis/Disinformation and the Artifices of Authenticity*. International Journal of Communication Special Issue. 2026.

Panel chair, *Conduits* Graduate Conference, Simon Fraser University. May 9 2025.

Co-organizer, *Mis/disinformation and the artifices of authenticity and authentication*. International Communication Association Pre-Conference, Toronto, Canada. May 24 2023.

Admissions committee graduate representative. Simon Fraser University Department of Communication. 2023.

Co-organizer, 3TRG (Technics, Techne and Technology Reading Group). Digital Democracies Institute, Vancouver, Canada and Associação de Pesquisas e Práticas em Humanidades, Porto Alegre, Brazil. 2021.

Panel chair, *Intersections/Cross-Sections* Graduate Conference, Toronto Metropolitan & York University. March 15 2020.

Panel chair, *Future Communications* Graduate Conference, York University. December 13 2019.

Panel chair, *Intersections/Cross-Sections* Graduate Conference, Toronto Metropolitan & York University. February 4 2019.

MA Executive Representative. Communication & Culture Graduate Students' Association. 2018-2020.
